The House Girls of the Y. W. C. A. entertained their friends with a Halloween party on Monday evening. The home was decorated with the usual witches, ghosts and other things common to Halloween.

Mrs. C. W. Allen entertained the Round Dances Club at her home last Tuesday afternoon. The table was decorated in pink and white chrysanthemums. The luncheon consisted of cherry salad and wafers, pudding and whipped cream also carried out the color scheme. The guests were: Mesdames Ruth Bailey, Hicks, Bear and Allen.

The Ladies' Bowling Club entertained with a party at the home of Mrs. J. H. Verfurth, and later the regular business meeting spent the evening at cards. Delicious refreshments of preserved peaches, whipped cream, fruit meringue and orangeade were served.

Little Miss Katherine Hughes, of Warren, invited about twenty of her friends to her home on Tuesday afternoon, to celebrate her seventh birthday. The rooms were bowered with white chrysanthemums and streamers of ribbon were suspended from the chandeliers, and the favors for the little girls were flower baskets, and the boys, balloons. The plates, place cards, napkins and luncheon cloth were decorated in Sunbonnet Babies. A large birthday cake with seven candles was presented to the hostess by Mrs. Vaughan, and the guests were served with ice cream, cake and candies. The hostess was the recipient of many dainty gifts from her numerous friends and the guests voted her to be a delightful hostess.

Mrs. Ellinwood and Miss Ellinwood leave on Tuesday morning for San Francisco, where they will visit the fair.

Mr. and Mrs. Hamilton, of Nacozari, were weekend guests in the city.

Mrs. Gerald Sherman leaves on Tuesday evening for San Francisco to visit the fair.

Mrs. J. P. Hodgson entertained the Square Dancers on Tuesday afternoon at her home in Bisbee. Mrs. Ruffner and Miss Wallace sang several selections, and Mrs. Frank Butler rendered a number of instrumental selections. Sandwiches, cake and coffee were served to the guests.

GERMAN PRINCESS STATES WOMEN AT HOME WOULD FIGHT

Princess Elizabeth von Trachenberg.

"Rather than see the Fatherland vanquished or dishonored, the women of Germany stand ready to go into the trenches and fight until they drop. But, thank God, that will never be necessary. While there is a single woman of Germany left in the field, its women will be protected." Thus declares Princess Elizabeth Hatzfeldt von Trachenberg, wife of the ambassador of the German embassy at Washington. She has just returned to this country after a visit in Germany.

The answer to your questions about Cottolene

Every housewife who uses it knows by experience that no other shortening produces such splendid biscuits, pastry, etc., or fries foods so deliciously and so digestibly as does Cottolene.

The reason for this is in its extreme purity and unfailing quality, and in the fact that the exact combination of the purest refined cottonseed oil and choicest beef stearine seems to create just those cooking elements which are necessary for the ideal shortening and frying product.

Cottolene

Because of its purity and quality you do not need to use so much of Cottolene. Use one-third less than of butter or lard. Heat it slowly for frying. Follow these simple instructions and the results will more than please your family.

It is not only a pleasure for the cook to have a shortening and frying product which she can use with absolute confidence, but it is appetizing to you and your family to know and realize the purity and wholesomeness of Cottolene.

It is packed in pails of different sizes, for your convenience. Arrange with your grocer for a regular supply. Write to our General Offices, Chicago, for a free copy of our real cook book — "HOME HELPS."

America's Premier Dancer Endorses NEWBRO'S HERPICIDE

SHE WRITES AS FOLLOWS TO THE HERPICIDE CO.

For the past two years I have been a constant user of Herpicide. It has done wonders for my hair. Herpicide shall always be in a prominent place in my home and in the theatre. I can assure you it is a pleasure for me to say a good word for Herpicide and without any solicitation.

Sincerely yours,

Joan Sawyer

It certainly is significant that Miss Sawyer, "The High Priestess of Terpsichore," enjoying as she does exceptional opportunities to know the best, should select Newbro's Herpicide to preserve the beauty of her hair.

To Miss Sawyer in her professional career personal attractiveness and appearance is of prime importance.

Hence her choice of Newbro's Herpicide may be accepted by beautiful women everywhere as conclusive proof of the exceeding merit of this well known scalp prophylactic and hair dressing.

For the eradication of dandruff and to prevent loss of hair Herpicide is recognized as being in a class distinctly and singularly its own. It is a delightful and refreshing hair dressing.

Stops itching due to dandruff almost instantly.

LEASERS WORKING THE GIBSON MINE

About Seventy Five Leasers Are Working on Gibson Mine With Success.

GLOBE, Nov. 6.—About 75 leasers are working the Gibson mine at the present time and from 250 to 400 tons of high grade ore are being shipped to the Old Dominion smelter each month, according to Tip Henderson, who came into Globe yesterday for a few days. Mr. Henderson, one of the original owners of the property, is working a lease with Jim Stivers and is in good ore. He says most of the other leasers have been equally fortunate and that ore running from 20 per cent to 25 per cent is being shipped.

Mr. Henderson's estimate of the number of leasers is based on those at the boarding house. He says that 45 men are eating there now and that there are at least ten families in camp at Bellevue.

Last month Henderson and Stivers shipped 45 tons of ore running about 20 per cent and they are now in 25 per cent ore. They expect to ship as much ore this month as they did last month and may exceed their former figures.

GOLD RUSH IS HAD IN HAYDEN SECTION

One Man Takes \$8,000 Out of One Small Pocket; Rush Is Had to the Section.

GLOBE, Nov. 6.—A gold rush that promises to rival the Oatman excitement has been started near Hayden, according to word brought here by Walter Naab, chairman of the board of supervisors, Sheriff Frank Haynes and County Engineer R. G. Thomas. A strike of rich ore at Chilito, seven miles north of Hayden, is the cause of the rush.

The officials report that a man named Stewart has found a fabulously rich deposit of gold and that he took more than \$8,000 out of one pocket. Nearly every business house in Winkelman is displaying some of the rich ore in show windows and the people of that part of Gila county are widely excited over the outlook.

GUGGENHEIMS HAVE THE LONDON-ARIZONA

New Owners Will Do Churn Drilling Exploration Work on the Property.

HAYDEN, Ariz., Nov. 6.—It has already been announced that the Guggenheim interests acquiring the London-Arizona intended to do the churn drilling and develop their ore bodies. Their first drill hole is now down to a depth of 120 feet. The Christmas camp, which has undergone extensive development and has large ore bodies already blocked out, is again active and making preparations of shipping a number of carloads daily to the Hayden smelter. This will be in addition to the extensive developments planned. H. B. Chittenden is operating industriously and shipping ore from his property at Chilito.

CALVILLO ORE NOW SHIPPED TO EL PASO

Wagon Trains Regularly Bring Rich Copper Ore From Calvillo Mines.

TUCSON, Nov. 6.—Ore from the Calvillo mining properties in the Coyote mountains, southwest of the city, is being brought into the city by Manager Calvillo every week by wagon train. About 40 tons are shipped every week to El Paso for smelting. The ore is high grade copper ore, assaying \$25 per ton, and there is a very large amount blocked out for future work at present.

Mr. Calvillo, who was in the city yesterday, stated that the mine was under option at present and might be sold in the near future, although the names of the probable purchasers have not been made public.

The strike in the Calvillo properties, which was mentioned some time ago in The Star, is believed to be one of the best in the vicinity of Tucson for some time. Mr. Calvillo believes that the mine is one of the most promising in the vicinity, and news of his success has turned the attention of investors towards this section.

Warren and Frank Allison, who have the property immediately adjoining, are superintending new work at their mine, and are letting a new contract for work.

MEDAL AWARD QUESTIONED.

LONDON, Nov. 6.—Why the young navy officer who swam ashore from a British submarine in the sea of Marmora and blew up the Turkish guard bridge in spite of the Turkish guard should receive only the Distinguished Service Order has astonished the public, since so many lesser heroes have received the greater honor of the Victoria Cross. But the award was made under a rule that has long obtained in the service. Even Lieut. Holbrook would have obtained merely the D. S. O. for taking his submarine through the mine field of the Dardanelles and sinking a Turkish warship had not the King himself intervened.

By the unwritten law of the service, the Victoria Cross is awarded for a deed of great gallantry performed without orders, and generally for saving lives under fire. The D. S. O. is for gallantry in following orders. Yet Lieut. Guy Hughes, in blowing up the land bridge, acted on his own initiative from the time he left his boat until he was picked up again, and in popular opinion should have received the more coveted medal. It is a good deal like the case of Lieut. Warneford in attacking and wrecking a Zeppelin, which resulted in a V. C.
